## BIO

After years of performing as solo acts, Jersey-born Leanne Weiss and Pittsburgh-raised Derek Allan formed the modern country duo October Rose in October 2016 and have already made their mark on the country scene. Collectively, they've opened for artists such as Lee Brice, Jake Owen, Jimmie Allen, Russell Dickerson, Granger Smith, and Tyler Rich, and have graced the stage of venues such as F.M. Kirby Center, Starland Ballroom, Opry City Stage, Mayo Performing Arts Center, and Mount Airy Summerstage. In addition, they've been featured performers on NashFM's "Ty, Kelly, and Chuck," as well as local and national radio and TV shows. Their debut EP "All In" and subsequent releases have received critical acclaim from various media outlets. Their videos on TikTok and Facebook Reels have already garnered more than 50,000,000 views.
